

# LAS REÑAS, CRIANZA

D.O. BULLAS

This wine is the result of a privileged selection of grapes of the Monastrell and Shiraz varieties, grown in an environment that has an ideal microclimate to become perfectly ripe in order to obtain structured and complex wines.

## APPEARANCE

Very intense deep Bigarreau cherry red, bright, attractive with a good tear formation and extremely beautiful presentation.

## BOUQUET

Clean aroma, with considerable intensity, which perfectly integrates the sensations of a quality cuvée grape and the contributions of a modern and suitable ageing. Presence of ripe red fruit (blackberry, morello cherry liqueur) accompanied by spicy and balsamic aromas, shrub lands, leather and liquorice.

## PALATE

This is a structured wine in the mouth, where finesse predominates over power, very elegant and expressive. The attack is smooth and velvety, with elegant and harmonious tannin, a warm yet balanced wine with the right amount of acidity and refreshing, well composed and with a persistent and intense finish.

**Vintage:** 2020

**Awards:**

**90 PT** in *“GUÍA PEÑÍN 2026”*
