

GRAN VIÑA Avilés,

D.O. BULLAS

This 100% Monastrell-based wine is produced from selected grapes at their optimum moment of ripeness, in order to obtain a medium bodied wine with enough structure to withstand a short stay in barrels, which provides it with more complexity and finesse.

APPEARANCE

Deep ruby red colour.

BOUQUET

Aromas of black cherries, blackberries, exotic dried herbs and some nicely baked-fruit character and dried blue flowers.

PALATE

Medium to full-bodied with firm tannins. Spicy and punchy with some white pepper in the chalky finish.
